Dear Sir/ Madam,

**Sub: Clarification on news on import alert from US FDA– Reg.**

We refer to online news items today in the “Economic Times” stating that “Hyderabad based Divi's labs is barred from selling its drugs to the US markets, as the US Food and Drug regulator has put an import alert on the company for refusing to let the regulator inspect its manufacturing facility. And that the USFDA has put Divi's under its 'Red List' that allows the regulator detention without physical examination of products for refusing FDA foreign inspection”.

As can be checked from the site of US-FDA, the import alert 99-32 published on 29<sup>th</sup> / 30<sup>th</sup> August, 2016 pertains to one M/s. Divis Pharmaceuticals Private Limited, a private unlisted company based out of Hyderabad and having its manufacturing sites in Medak District in Telangana State.

We wish to clarify that there is no import alert or any kind of barring by US-FDA on our company DIVI'S LABORATORIES LIMITED and any of its manufacturing facilities.

We also wish to clarify that our manufacturing facilities are located at Lingojjigudem Village, Choutuppal Mandal, Nalgonda District PIN 508252 in the State of Telangana and at Chippada Village, Bheemunipatnam Mandal, Visakhapatnam District PIN 531163 in the State of Andhra Pradesh.

We wish to clarify that business is normal as usual at DIVI'S LABORATORIES LIMITED

Thanking You,  
Yours faithfully,  
For **Divi's Laboratories Limited**
